# DENVER, COLORADO

## Day 1

Denver is the perfect blend of outdoor beauty and big-city charm. It was also one of the first U.S. cities to embrace the craft brewing movement. To celebrate this fact, grab a pint and join a tour of the **Denver Beer Trail**, home to some 20 craft breweries, including the city's oldest microbrewery, **Wynkoop Brewing Company**. Denver's **Larimer Square**, now a bustling hub of shops, restaurants, bars and clubs, was the city's first block, founded before Colorado became a territory. **LoDo**, the city's lower downtown area, is Denver's oldest neighborhood. It's also where you'll find the Colorado Rockies baseball stadium, numerous art galleries and boutiques, and dozens of restaurants and bars. Denver's visual arts scene is impressive; begin exploring at the **Denver Art Museum**,

one of the largest art museums in the West, boasting a major collection of Native American art. Save time to visit **Denver's Museum of Contemporary Art** to see cutting-edge works in a variety of mediums, or get outside and meander through the Mile High City's many galleries. The **Art District** on Santa Fe, with some 60 galleries, hosts an art walk the first Friday of each month, as does the **Golden Triangle Museum District**, home to more than 50 galleries. While strolling around Denver, make note of the city's collection of more than 300 pieces of public art, including sculptures, murals, and sound- and light-based works.
